### ABOUT ME

I am a highly motivated and team-oriented individual with a deep passion for electronics and innovation. As the founder of my own soccer bot team at KUET, I led our participation in EEE DAY 2024 and BITFEST 2025, where we showcased our skills and advanced to the second round in the soccer bot segment .Beyond competitions, I enjoy working on home automation projects, having successfully developed a smart motion light and a clapping study light to enhance everyday convenience. I am always eager to learn, experiment, and push the boundaries of technology, striving to grow as an engineer and innovator in the field of electronics.
